PARTS CATALOG REVISIONS

CS #75-18

REFERENCE CATALOG NUMBER: As Noted

DATE: 8-29-75

CATALOG TITLE: 310, Skyknight & 411 Parts Catalogs (See Below)

TO: All Zones and Dealers

FROM: Customer Services Department

The attached Parts Catalog pages have been revised to detail the parts interchangeability between main landing gear fork bolts and torque tube assemblies. To eliminate shipments of incorrect parts, it is important to determine the aircraft's torque tube configuration before ordering fork bolts.

The attached pages are summarized below:

C. T.	PAGE	FIG.	INDEX	CHANGE		REMARKS
